2020-2021 School Registration

June 25, 2020

Dear Parents,

Enclosed you will find registration forms for the 2020/2021 school year. The registration process is simple and can be quite fast if your forms are properly filled out in advance.

Please note our policy regarding requests for placement with other children.

- Students in fourth through seventh grades in **mid-week** classes are grouped homogeneously according to their reading ability. **Therefore, we cannot honor requests to be with a particular child as each student must be placed at the appropriate level.**
- Other factors which determine class make-up are class size and the mix of boys and girls. We pay particular attention to the public school each child attends. We attempt to ensure that no child is in a class without any other children from their school. We know that children feel more comfortable with at least one friend in their class. Therefore, students entering kindergarten, first, second, or third grade may request to be with one other child. We will consider requests only where the request is reciprocal: where the parent of the other child has requested placement with your child. For example, if you request that your child be placed with Jane Doe, Jane Doe's parent must also request that she be placed with your child.

Thank you for understanding that we cannot accommodate requests for groups of children to be together. We must structure our classes to meet the needs of all children by ensuring that all classes are balanced and educationally sound.

In addition, please take note to remember the change in school policy. **Students must remain in class until at least 15 minutes prior to the end of each class to receive full credit for the day. If a child is picked up or leaves more than 15 minutes prior to the end of class, it will be considered $\frac{1}{2}$ an absence.** Every 2 times the child is picked up or leaves 15 or more minutes early it will be considered a **full absence** from Hebrew School

Sincerely,

Marni Luskoff
Vice President of Education
