Would you
like to
PERFORM?

Dear Congregants of Temple Beth Am,

I know that many of you have a secret desire to “perform”. As your librarian, I am prepared to give you that opportunity. I have just reread Leon Uris’ EXODUS and I fell in love with his colorful description of the Warsaw Ghetto uprising and the events that led up to it. It is educational and very moving! Analyses of those 22 pages indicate that there are 13... 5 minute segments that can be read to a Beth Am audience in One hour and 15 minutes. I am looking for 5 to 13 volunteer readers who would enjoy the experience. To volunteer you must have a strong expressive voice. We have only one copy of the book so if you would like to review the material before you volunteer you will have to borrow it from the public library. You will find Chapters 22 and 23 on pages 117 to 139. Call Jerry Medowar at 623-6739 or e-mail me at judgejerry@optonline.net to discuss your interest in putting this program together.
